

School Uniform Policy

Scope

Teignmouth Community School is a 2 -19 School based on two sites. The Primary Phase, (2 -11) at Mill Lane and the Secondary Phase (11-19) at Exeter Road. The two sites are now one school with one uniform policy.

Philosophy

“A school uniform plays a valuable role in contributing to the ethos of a school and setting an appropriate tone”. (DFE May 2012)

TCS values uniform as it can instill pride, positive behavior; a sense of belonging and acceptance of the school standards.

It is our school policy that all children wear school uniform when attending school, on the journey to and from school and when participating in school organised events outside normal school hours.

The school directors ask parents to ensure that all students from Reception to Year 11 wear the school uniform and have the right kit for PE. Students in TCS 6 are expected to follow the sixth form dress code.

Objectives

Our policy on school uniform is based on the notion that school uniform:

- promotes a sense of pride in the school,
- ensures students of all races and backgrounds feel welcome,
- protects children from pressures to conform with fashion trends,
- nurtures cohesion and promote good relations between different groups of students,
- creates a sense of community and belonging towards the school,
- is practical and smart,

- identifies the children with the school,
- makes children feel equal to their peers in terms of appearance,
- is regarded as suitable wear for school,
- is designed with health and safety in mind.

Statutory Duty of Schools and Parents

Principles

Parents/carers are responsible for ensuring that their children attend school in the correct uniform. The School will make every effort to promote good uniform and support where needed, including part-fund when necessary. Students who wear the correct uniform are recognised via merits at Mill Lane and Exeter Road.

What will happen if a student does not wear the correct uniform to school?

If a child is unable to wear the correct uniform for any reason we ask that parents or carers write/email a note to the class teacher (Mill Lane) or tutor (Exeter Road) to explain the reason why. If the child simply doesn't have the right uniform, they should (if at ER) report to the BFL room where they will be issued with clean uniform on temporary loan. Parent/carer and school need to agree a date for the child to have their own uniform.

At ER, if a child *chooses* to wear the incorrect uniform this will be treated as a Red Card incident and will result in a 20 minute lunch time detention. On occasions whereby the pupil refuses to correct the uniform, it will be treated as significant defiance and sanctions will apply as per the school behaviour policy. Incorrect items such as hoodies will be confiscated until the end of the day and can be collected by parents or carers from Student Services. No student will be permitted to attend mainstream lessons unless in correct school uniform, unless under exceptional circumstances.

Where can you purchase the uniform?

Our uniform shop is based at Exeter Road in Resources and is open on Wednesday and Thursdays between 8am and 4pm. You can pay by cash or card. Alternatively you can pre-

order and pay on-line via the TCS website if you follow the 'parent' and then 'uniform shop' link; items can be collected on Wednesday and Thursdays.

In addition to this, the uniform shop is open every Review Day and for additional hours during the summer term. Information about the additional opening hours is given out by letter at the Spring Review Day, and is also on the school website.

Responsibility of Parents/Carers

- Ensure your child wears the correct uniform to school. When this is not possible please liaise with school, as per uniform policy
- Support school sanctions for incorrect uniform
- Ensure your child brings the correct equipment to school
- Ensure your child has an adequate bag appropriate for school
- Remember to label all items of clothing with the child's name and class/tutor group

At ER we recognise that most students may be mature enough to take responsibility for wearing the correct uniform however we would appreciate parental support in ensuring students are supplied with the correct uniform and equipment, and are encouraged to follow the school Uniform Policy.

TCS 6 DRESS CODE

At TCS 6 our code is 'smart casual'. Students are expected to dress at all times in a manner that is fitting for a maturing young person in a professional environment. We realise that one of the attractions of being a sixth former is the privilege of wearing your own clothes rather than a uniform; we therefore do not specify what is permissible within the parameters of 'smart casual'. However, the following items are deemed not acceptable:

Dirty or ripped clothing;

Offensive slogans;

Revealing tops, shorts or skirts

Bare midriffs;

Ostentatious jewellery;

Hoods, caps and hats on school site, unless for medical reasons.

Parents/carers should ensure their child arrives at school each day with the correct equipment in a bag/rucksack capable of holding all necessary equipment and school books. For all lessons, students need a **pen, pencil, eraser, ruler and colored crayons**.

For geography, mathematics, science and technology, a compass, protractor and scientific calculator (with sin, cos and tan keys) are necessary. These are all available to buy from the school. Any books or equipment loaned to students for use at home or in school must be cared for and returned at the end of the period of loan.
