

## 1 Teaching

- Ensure that every student receives the very best teaching and learning in the classroom, through the introduction and implementation of the Walkthru coaching system
- All teachers are aware of the needs of the disadvantaged students they teach, using information in their DS Passports to plan and implement strategies to improve their outcomes

## 2 Targeted academic support

- Small group tuition sessions in English and Maths for KS3 and KS4 disadvantaged students
- Targeted sessions focussing on metacognition, revision skills, resilience and self-confidence

## 3 Wider strategies

- Increase engagement and communication with parents of disadvantaged students
- Vocabulary programme to develop and build literacy skills
