

Our alternative provision (STARS) has been accepted onto the Tesco 'Bags of Help' community funding scheme and are in competition for financial support of between £500 - £1,500. For anyone that would be interested in supporting TCS and who shop at Tesco (opposite Newton Abbot racecourse), please ensure that:

- after making your purchase, you ask the till operator for as many blue tokens as they are willing to give.
- you deposit them in the STARS column (centre) in the customer voting box situated to the right of the exit.

We would also greatly appreciate you encouraging friends and family to do likewise as this money could be of huge benefit to many students struggling to access mainstream education.

Thank you for your continuing support.
