

PSHE Curriculum Intent:

At Teignmouth Community School, our Personal, Social, Health and Economic education curriculum *will stay with our students for life.*

Through the core values of work hard: never give up, be kind: care for each other and join in: develop and grow, students will develop the knowledge and skills to make a meaningful and rewarding contribution to our local community and the wider world in the future. They will also develop the knowledge and skills to help keep themselves safe both now and in the future.
